Inspired in design, comfort and simplicity, LIVING home lifts offer a range of extraordinary possibilities. We combine creativity, technical know-how and professional commitment to ensure an exceptional construction and lifelong durability. The highest standards of quality and safety are assured.

**LIVING EXTERIOR 2000** is a home lift suitable for outdoor environments. It has a rise of up to 3 meters. Requiring minimal construction work, LIVING EXTERIOR 2000 can be installed quickly and easily. No additional modification to existing buildings is necessary. A normal installation is completed in a few days. Safety edges, hold-to-run functionality and battery operated emergency lowering as well as a robust construction ensure that the lift is highly secure and safe.
